## President's Report

Once again COVID interrupted what was looking to be one of the clubs most successful seasons. The year was full of disruptions from the beginning with restrictions and interruptions throughout the pre-season. Once we got onto the field it was pleasing to see so many players wanting to be involved. This led us to be able to confidently enter four men's teams and three women's teams. All of which performed at a high standard positioning us to have likely 5 or 6 teams compete in the finals. In the end COVID put a stop to that as the season ended abruptly as we went into another lengthy lockdown.

Our juniors had a different experience, our Junior VP, Steve Jamieson and under 16 coaches worked extremely hard to get enough players to enter a girls and a boys team but in the end the hard decision had to be made to withdraw both teams and offer all players the opportunity to play in our senior teams. This was indicative of all hockey clubs and other sports, all struggling to get junior players back and committed to playing community sport. I would like to give a massive thanks to both Steve Jamieson and Jeff Smit for all their hard work in trying to get these teams on the field, I know you both did everything that could be done, and we tried absolutely everything.

On the other hand, with withdrawal of the under 16 teams, we concentrated on entering an under 14 mixed team and expanding our under 12 and under 10 teams. This was a huge success, coach Kate once again showed us her coaching and communication skills looking after the under 14 team, that started with just enough numbers to put a team on the field but soon grew with the kids bringing some friends along to play in what was a competitive but more importantly fun team to be part of. Kate was lucky enough to have men's 1's player Dave Noney to assist her which proved to be a strong combination. After a couple of really successful hookin2hockey seasons we really concentrated on converting the hookin2hockey players into our under 10 and under 12 teams, a lot of hard work and effort was put into this from our under 10 coach, Matthew Guastella and long-time club person Jacqui Kelly. Jacqui ended up taking over from Steve as our Junior VP and with the coaches, Matthew Guastella, Dave Noney and Jeff Reidy as well as team managers, Travis Smith and Adrian Guestella the Junior unit future is looking bright. Look out for the future plans from this group moving forward.

The hookin2hockey program was once again very successful headed by Rachelle Smith and assisted by the many helpers throughout the year.

With the season halfway and the club booming on the field, COVID hit once again, and we were stopped for what we thought would be a short break. Many plans were being drawn up and redrawn for how to complete the season but this was all stopped when it was clear the season would not be able to be re-started and the 2021 season was officially cancelled with no premierships awarded. This was extremely disappointing for a second year, but there is nothing that could be done. I can assure everyone there is no one more disappointed than Hockey Victoria and all the club affiliates.

Although we had a shortened and interrupted season, we held a couple of very successful social events and fundraisers. Firstly, thank you to Vanessa Dillon for running the pink day fundraiser. This event was very successful raising \$1,276.00 for the Breast Cancer Network. The other event that was a huge success was our Op Shop Formal, this event was put together in short notice (as you do in COVID times) and was well attended by many players, families, and supporters, all having a great fun night. Our Men's unit head coach set this night up and just shows what a great all round club person she is. Once again Jacqui Kelly put her thoughts in her head into action and did a chocolate drive fundraiser, this was extremely positive and has raised over \$2,000.00. A big thank you to everyone that helped with these events.

We now look forward to 2022. It was great to see all our hard-working committee members re-commit for the 2022 season and hopefully we will get a few more interested club members wanting to get involved in the off field running of the club, so we continue to grow and bring future success.

I would like to thank all the coaches who did a great job, the attendance to training has been huge which gives me great confidence that the coaches are all on the right track. I am very proud to be involved in a club that has a female head coach of our men's unit. The credit for this can be directly attributed to our Vice President Michael Randall who knew what was needed and relentlessly pursued Sam for the role. This decision proved a master stroke as the word got around and several past players wanted to be involved and returned to the club. Let me tell you Sam Dobrich did not let us down; she brought a new professionalism to training and great leadership to the teams. She was well supported by the long serving and very experienced Jeff Smit, making for a great team off the field for the men's unit. Our women's unit after a long time in the waiting got to experience some on field coaching from our new coaching team of Jim Galanos and Tina Horwood. Both coached throughout 2020 without getting any games played and it was great to see us move forward in a slightly different direction than past years. Although the season was not completed, I feel a lot was learnt which will put us in a really good position for the 2022 year. A big thank you must go to David Noney who ended up coaching our women's 3's to add to the assistant coaching roles on the women's 2's, assisting the under 14 coach and coaching an under 10 team. Having a coach for every team makes a big difference for the playing group and Dave really stepped up when we needed it. I would also like to thank all the team managers; it really was one of the best groups of team managers we have had over the years. There were new systems for team entry and umpire payments in place for everyone to learn but everything went smooth and without issue.

A huge thank you to the 2021 committee. An enormous amount of work is performed behind the scenes and most of it goes unnoticed. I would once again like to thank my silent partner Michael Randall for his huge efforts in recruiting the coaches, working hard on our player numbers and many other hidden jobs that needed to be done during the year. Also, I would like to thank new committee members Jess Fitzgerald who stepped into the secretary role, Vanessa Dillon who assisted with the women's unit, Pete Turner, who put his hand up to look after our facilities and might I say did an exceptional job, Steve Jamieson who took on the Junior VP role early in the year and worked his backside off to advance the juniors and a big thank you to Jacqui Kelly who took over from Steve during the year. Although Jacqui and I had worked together in other club roles in the past, I quickly learnt that with Jacqui's dedication and hard work ethics she is going to be a big part in the building and growing of the juniors for some years to come. Finally, I must thank both Jenelle Hyland and Carol Rumble who took on the canteen manager duties. It was always going to be difficult when we were never sure what the rules would be, will we be allowed to open and have people at the ground and even if games would go ahead.

With lots of preparation already started for the 2022 season I am extremely confident that the club will have lots of success on and off the field in 2022 and I look forward to seeing everyone on the training track soon.

## Vice President Report

It was a season that promised so much, delivered plenty and was then sadly cut short before we had a chance at the ultimate success.

I could not be more proud of the steps both our women's and men's unit took in 2021.

Covid-19 and the stop-start of lockdowns has definitely changed things at our club, but we have shown so much resilience.

The commitment from the women in 2021 was incredible. From top to bottom, it was always a packed house at training and there were times when we had so many players, that some were left out. It is a credit to their positive attitudes that there was no discontent from that. We faced our ups and downs but, overall, it has been a very positive season - and one we can build on in 2022.

The ones were entrenched in the top four and had strung some great performances together before the season was shut down. I might be biased, but top spot wasn't out of the question, and, once you get to finals, who knows?

Pennant F was also a walk up starter in the finals and had pushed the top side (1-0 loss) and third (2-1 loss) all the way - we were the better team in both, but just couldn't find the goals. PLENTY to work with in 2022. And the thirds were just a fun side to watch. It was clear all the women who played in the side had great camaraderie and really enjoyed their time - so many draws made it tough but, if they become wins in 2022, finals beckon.

It was fantastic to have Jim Galanos back as head coach, Tina Horwood did a great job as the twos' coach and young Dave Noney stepped up to coach the thirds. The pres Dave Hyland gets plenty of platitudes, but his work in juggling players in the thirds must be commended - it is very time consuming, and he had it down to a fine art.

I think we are really beginning to shift the attitude in the women's unit that once you're in a team, that is your team, and that has really shown with the competitiveness at training and the fact that both the ones and twos used 19 players each in 2021. It is great to see players fighting tooth and nail to hold their spot in the ones and twos and seeing them go up and down for form, injury or positional necessity.

Let's keep that same energy in 2022.

I am thankful for Vanessa Dillon's work on the committee in 2021 and look forward to seeing her take on the role of women's vice president.

She will do a brilliant job!

What a turnaround from the men's unit - and it came from the top with new coach Sam Dobrich and reserves leader Jeff Smit marshalling the troops with brilliant organisation and communication.

The results speak for themselves.

The ones, twos and threes were all sitting on top of their respective ladders when the season was cancelled.

It is shattering to contemplate what might have been, but also exciting to know what is achievable next season.

The confidence bred in the firsts from their efforts led a groundswell for promotion to Vic League 1, which was driven by the players.

The step up will be a challenge - and it will require a stronger commitment from the playing group - but I have no doubt there is the right mix of talent, skill, youth and experience that will allow them to be more than competitive at the next level.

It will also be aided by the fact Sam has decided to go on for another season - she says she has unfinished business and I look forward to seeing her flourish in the role next year.

Smitty's twos had no peer and were racking up rugby scores against some teams, while the thirds under 'Sir Captain' or 'Mr Captain' Jake Griffiths just knew how to find a way to win.

The fourths had a genuine vibe about them - they were outclassed in a lot of games, but also held their own against better opposition - but always came off the pitch with a smile. Some of the kids in that team have bright futures and will be better for spending their first season with those opportunities. I have to thank Steve Westendorp for taking on that side midseason - he is a ripping fellow and brings a calmness in leadership of that team.

Lastly, I have to thank the entire playing groups of both units, the coaches and team managers, the parents, partners and families, for the hard work they put in to work with each other for the common good of our club.

I am proud of our club and continue to encourage everyone to be selfless, help each other and do what it takes to continue to make our club a great one.

Without you all, the Cannons would not survive.

Bring on 2022.

Vice President  
Michael Randall

## Junior Unit Vice President Report

We had a positive start to the season in the Junior's unit and saw a lot of growth in the younger age groups, which is a really exciting prospect for the club.

Unfortunately, the season was cut short with an unexpected end because of state-wide COVID lockdown restrictions being reimplemented from 5<sup>th</sup> August.

I would like to acknowledge and express gratitude towards everyone who assisted in making the Junior's Unit a fun and successful season in 2021. These people include those who stepped up in coaching and/or team manager roles, as well as those who umpired games throughout the season – without these people, we would not have a Junior's Unit.

### **Under 10's**

We started Term 2 with two half pitch under 10 teams and a total of 16 players across the two teams. When the season ended in Term 3, our Under 10's unit had grown to 20 players across the two teams. It is great to see so many siblings and offspring from our other Casey players and/or members joining the sport from such a young age. The culture of being a family friendly club is something we take pride in and will continue to grow and build on.

### **Under 12's**

We started Term 2 with one half pitch under 12 team and a total of 11 players and finished in Term 3 with two half pitch under 12 teams and a total of 15 players. It was exciting to see this age bracket grow to the point where we were able to enter the second team in term 3 – with a special shout out to Craig Holland and Xavier Woodcock who stepped up from playing in the Under 10's in Term 2 to being part of the Under 12's unit in Term 3.

### **Under 14's**

The Under 14's team was a force to be reckoned with and was set to make finals before the season drew to an unexpected close. Winning seven out of eight games, Casey shared equal points with Waverley and Greater Dandenong Warriors to sit top of the ladder. We only conceded 8 goals in total over the course of 8 games, while successfully scoring 37 goals over that same period. Thomas Pettigrew was our lead goal scorer, with 19 goals against his name.

**Under 16's**

Despite our best efforts to get enough players to enter an Under 16's team - this year it just wasn't to be. However, with the growth that we have seen this year within the Junior's Unit, we are positively hopeful to enter an Under 16's team for the 2022 season and encourage any interested parties from this age group to reach out.

**Summer Hockey**

We are excited to be able to offer the Junior's Unit a Summer Hockey season from 7<sup>th</sup> November - 15<sup>th</sup> December (pending restrictions being lifted) in lieu of the games that were missed from the main winter season.

We have received a positive response from players keen to get back out on the hockey pitch again and will be entering the following junior teams for the 2021 Summer competition:

- Two x Under 10 teams to play on Sunday's
- One/Two x Under 12 teams to play on Sundays
- One x Under 14 team to play on Wednesday nights.

**Fundraising**

We had great success with our chocolate fundraising drive this season, despite facing a massive barrier with being in lockdown restrictions for a large portion of our season. To date we have raised \$1,906.20 from this fundraiser with an expected total of \$2,131.20 once all of the funds are returned. These funds were initially intended to be put towards the end of season junior presentation, however with season cut short and presentations no longer going a head - we will be looking at using these funds towards an end of Junior Summer Hockey celebration.

Junior Vice President

# Master's Unit Report

Well, at least we did get a start to the 2020 winter season unlike last year. Again, we only had the one team entered. We remained in the CSE 45+ group.

In this grade, we are competitive but just can't seem to get the goals in the back of the net. It's not through lack of trying and we've seen some absolutely fantastic attempts, and some amazing goals from the likes of Steve Ray, James Doble, Chris Rodgers & Jas Singh.

Deb Jacobs joined us for the season which gave us some added drive, and we hope she'll be back in 2022.

I'd like to thank those people who stepped in to help us out when we were short, it's not easy finding players at short notice. So, thanks to Vanessa Dillon, who played a few games with us and was always willing to fill in should we need her. Also, thanks to Tina Horwood, Warren Jacobs & Paul Ross who assisted when we desperately needed a player or 2.

All in all, we had a reasonable season, and given the chance I think we would have moved on up the ladder as we always have better results in the second half of the season. It also helps us when we get to play week after week, I don't think the Covid breaks in the season helped the old bodies of the team.

So, not the fantastic results of some of the club's other teams, but we are playing with enthusiasm and still giving it a go.

Thanks to all the team for a great effort, and I hope to see you all back ready and raring to go in 2022.

Regards  
Jenny Munro

Closing bank balance as at 30 September 2021    \$ 53,384.31

The 2020/21 season was yet again influenced with multiple lockdowns and restrictions caused by Covid-19 and with only about half the number of games being played and eventually the cancellation of the season, we managed a profitable year, comparing this to the 2020 season being a loss in a similar situation due to Covid.

Main revenue contributors were received from hockey fees, canteen and inventory sales, along with a successful fundraising chocolate drive. We also received a sponsorship from SG Plumbing & Gas Fitting and a grant from the City of Casey.

Money paid to Hockey Vic, coaching, umpiring & club operations make up the bulk of expenses paid this year.
