Under 10 3 Mixed Term 3 Coach	Jeff Reidy
Hookn2Hockey - Coaches	Rachelle Smith, Nicole Smith & Jeff Reidy

President's Report

2022 Amazing, not just because we had a very successful year on the field but more importantly, we played our first full season of hockey since 2019.

Once again, we had a very successful hookin2hockey program headed by Rachelle Smith and well assisted by Nicole Smith, Jeff Reidy, and many others along the way. The numbers continue to grow, and we had great success with many players transitioning into our under 10's. Thank you Rachelle and team.

The junior program has been something we have concentrated on over the last few years and we are now starting to see things taking place as we had hoped. We started the year by entering two under 10 teams an under 12 team, under 14 team and reintroduced an under 16 team. With increased player numbers in the second half of the year we were able to add a third under 10 team for the term 3 program. This success has not come from one year's work but from the last few years and I must thank Jacqui Kelly and the coaches for their great efforts.

The seniors overall had many success stories to tell.

Masters:

The masters started to introduce some "younger" players into the group and although they did not have success by making the finals, they were certainly competitive throughout the year. Hopefully they can turn the many draws into wins next year and play finals again. Thank you, Jenny, for once again running the masters.

Men's:

The men's unit overall can be very proud of their achievements, although it must be said there was plenty of difficulty for Mick, Sam, and the leadership group to contend with. Player numbers were down on the previous season and although we started with four teams, it became obvious early that this was not sustainable. Although Mick did his best the hard decision was made to drop a team and play with 3 men's teams. With all the men's teams having success in the 2021 (half season), Hockey Victoria offered us the opportunity to move to VL1. The playing group and leadership team took this challenge on with the hope and expectation that we would be competitive and maybe have a chance to make the finals. Well, I think we exceeded everyone's expectations, ending up 2nd on the ladder and making the Grand Final in VL1. Continual unavailability made it hard for both the 2's and 3's to make the finals but they fought hard and were competitive. A huge thank you to our Men's VP Michael Randall who does so much work behind the scenes, we would be lost without you. To Sam Dobrich and the leadership team of Blake Edwards, Steve Noney, Jeff Smit, and Peter turner, a big thank you to all of you, it was amazing to see how you all worked so well together, always looking to do what is best for the club and players.

Women's:

What can I say about the women's unit in 2022! We have been promising big things for the last few years, but COVID kept us from bringing this into reality, but we stuck to it and had great on field success with all three teams making the finals and both our VL2 and Pennant E teams coming away with well-deserved premierships. Many people made this success happen and I would like to thank Vanessa Dillon as the women's unit VP, Jimmy Galanos our head coach, Tina Horwood assistant coach and Pennant E coach, Lizzy Maciulaitis Metro 1 coach as well as Jeff Smit for assisting the women's 3's and Bryce Davis for his work in assisting with selection.

Social:

It was hard going with the social events in 2022 on the back of COVID-19, and I am sure lots has been learnt that will help us in 2023. The fixture did not provide us any favours, but I must say our home games were very well supported and this assisted us in having a very successful canteen throughout the year. Thank you to both Carol and Jenelle for doing a great job managing the canteen. The pink day was once again another great day raising money for the Breast Cancer Foundation. For something different Rowdy ran a karaoke night, and although it was not that well attended, I must say for those that came it was a great night and I will certainly encourage to give it another go next year. The big social success story was once again the Reverse Raffle. This event was huge with over 70 people packing out the club rooms and 150 tickets sold. The night was very well hosted by Nick McPhee and Tegen Hyland and a massive thank you must go to Jeff "Rowdy" Reidy for organizing everything.

Thank you:

The Casey Hockey Club would not survive without the many many volunteers and helpers we have throughout the year. Firstly, I would like to thank the whole committee for their hard work and dedication. Special thanks must go to Linda Darby, Linda has decided to step down from this role after 11 years of service. Many people may not even know who Linda is as she quietly works behind the scenes getting the job done, but I can assure you she has been an integral part of the club and I am very appreciative of her hard work throughout those years. To all the coaches and team managers, massive thank you, you are all part of the great development and success of the Casey Hockey Club.

Well done to all our award winners especially Steve Noney Senior Best Club Person and Bridie Drane Johnson Junior Best Club Person.

Finally, a big congratulations to our winning Premiership teams and premiership coaches. You are now etched into the club records as premiership players.

Look forward to seeing you all in 2023.

David Hyland
President

Men's Unit Vice President Report

The men's unit started the season by accepting an invitation from Hockey Victoria to step up to Vic League 1.

Hope, promise and perhaps a little trepidation preceded round 1, but our men took to the task with aplomb, playing an aggressive, attractive style of hockey that gave us all reason to feel proud.

The boys finished in the top two and made it all the way to the grand final, only to lose in a heartbreaking shootout to Old Xavs.

The twos gave it a red-hot crack and were a chance at top four until the last couple of rounds.

And the thirds were a most admirable outfit, a bunch of boys who got on like a house on fire and played their guts out every week. Wins were few and far between, but the effort was there every week.

Positives across the board that should set us up for a big 2023.

We were forced to drop a team - four down to three - despite our best efforts, but this worked out to be a positive as it made life a little easier for the selection committee.

Off the field, the camaraderie across the grades was fantastic, the ones and twos gathered and played as a single unit and the mateship between the thirds players was a sight to see.

With so many injuries throughout the season, we were forced to call on so many guys to double up and it was almost never a problem, whether it was ones down to twos, twos up to ones, twos down to threes or threes up to twos, no one was too proud to help out. Club over self was very much alive.

We had several great functions throughout the year, but the bus trip to and from Bendigo was one of the best team-building exercises for our group. A memorable trip for a variety of reasons, not least the amount of laughter.

As always, issues popped up from time to time, but they were quickly solved with communication and understanding.

I must first thank Sam Dobrich for her tireless work in coaching the team.

Not many know this, but Sam commuted from the city for almost every single training session - something that could not be said for many of the men. A big thing for us to improve on in 2023.

We are very grateful for the job Sam did in coaching the team on the field, but also for her work off it in uniting the men's unit as a whole. Anyone who wanted to be part of the group, was invited in and welcomed with open arms.

Sam was key in organising functions and rallying the troops to get along to club events.

I can't thank you enough, Sam, and I'm so glad you said yes to coaching our club - we are all better for it.

To her right-hand man Steve Noney, you're a treasure mate, no job too hard, no problem that couldn't be fixed, thanks so much for your support of Sam.

Jeff Smit deserves kudos for his work on the selection committee and his level head in helping sort issues to ensure they didn't impact the group.

To our other team coaches and managers, Blake Edwards, Mathews Thomas, Pete Turner - and Pete Turner - your effort has definitely not gone unnoticed, and we appreciate what you did throughout the season.

Thanks to Dave Hyland and Jeff Reidy for your support and being a sounding board for me and also to my partner Laura, who encouraged me to continue with the Men's VP role when I'd considered standing down after the birth of our first child.

Mick Randall
Men's Vice President

Women's Unit Vice President Report

The 2022 season for the Women's Unit has been one of our most successful for quite some time.

With over 50 players committed to the 2022 season, three teams were entered into the competition – being Women's Vic League 2 ('1s'), Women's Pennant E South East ('2s') and Women's Metro 1 South ('3s').

This year has been the year that our players dug deep; determined to square up with our snatched 2021 COVID year and show what all of our training had achieved.

With a renewed commitment to training and strong numbers turning up week after week – even in (what seemed to be regular) lashing rain, our three teams were able to push forward in their respective fixtures with all three finishing with an entry into finals.

And training aside, I know that all three teams also achieved their final positions because of teamwork, commitment and a little bit of sheer determination.

With Jim Galanos back as the 1s coach, the Vic League 2 team absolutely dominated. That is the best description – Dominated. The 1s team did not have a single loss for the season and finished top of the ladder. There was no stopping them. With a Grand Final played at the State Hockey Centre, and the game live streamed with an 8-1 win, it was easy to see why they have been promoted to Vic League 1 for the 2023 season.

The Pennant E side was coached by Tina Horwood and also showed they were additionally a side to be recognised. With only one loss for the season, the 2s also finished top of their ladder. With a Grand Final win of 2-1, this team shall also be stepping up into the Vic League 1 reserves for the 2023 season.

The Metro team was coached by both Liz Maciulaitis and Tina Horwood. The 3s finished the season strongly with a third place on their ladder. With a 0-1 loss in the semi-finals, their finale was very much a well-earned achievement for the 3s.

The energy for the 2022 season can be seen in the results above. Even though COVID (and some injuries) still interfered at times with our players again this year, game statistics show that 24 players assisted the 1s team throughout the season, 30 players played in the 2s and 33 players supported in the 3s; with the final team results have been earned by all members of the Women's section. It was through this Club commitment from both our dedicated regulars, some new and returned players as well as our casual and junior players that all three teams were able to walk onto the pitch each week and present a competitive team in each section.

It is that Club commitment that I segue a little here. As I read through previous AGM reports and have watched players and members over the years, one of the repeated and selfless traits of Club members is that of people 'stepping up'. For the players, a great example of that this year is the position of Goalkeeper.

Many would know that our biggest hurdle at the start of the season was Goalkeepers. Who would have known these particular players were so rare??? With Cheryl Howard steadily holding firm in goals, the Club was still short. As much as the Women's section was fortuitous to find two new goalies last year and this year – with Sarah Sutton-McLellan and Kitty Bergmann both joining the Club and absolutely dominating in goals – there were a number of weeks where we had Fiona Young repeatedly stepping out of her position on field and also skilfully donning the pads (and also showing why she is one of our best all round players).

Other players like Emily Noney, Jess Fitzgerald and Jenelle Hyland who stepped into goals when called upon, as well as those field players that were willing to 'play up' or 'play down' outside of their regular teams or field positions when the Club need was presented to them are those that also need to be acknowledged as attributing to the team achievements of this year.

At the end of the 2022 season, I would like to thank our Women's Unit Secretary Lauren Walsh for her support, as well as the Coaches, Team Managers and President Dave Hyland. This core group have worked hard both in front and behind the scenes, ensuring that the season ran smoothly for the Women's players and Club.

Also, a quick thank you to families for the weekly support for training nights as well as on game day, cheering from the sidelines.

I am absolutely positive that 2023 will be another successful year and one to be watched by all.

Vanessa Dillon
Women's Vice President

Junior Unit Vice President Report

The 2022 season has started to see the benefits from the previous few years of hard work start to come through. Several seasons ago it was identified that our junior numbers were starting to reduce, and we needed to put in place a plan to change this. With the help of Hockey Victoria, the club embarked on a concentrated hookin2hockey program with the intention to grow our junior program from the bottom up. This year we again had 31 registered hookin2hockey players and I must thank Rachelle Smith for leading a great team of people which included Nicole Smith and Jeff Reidy, without their help the juniors would not be in the good situation we currently see ourselves in.

The biggest benefit from the previous years hard work comes from the transition of hookin2hockey & stick2hockey players into our under 10 teams. Again Rachelle Smith and Jeff Reidy were heavily involved but I must also thank Jacqui Kelly who has really helped convert these players into our under 10 teams. We were able to start with two under 10 half field teams and add a third team for term 3 which is a great effort. We ended up with 28 under 10 players which is a number that keeps growing every year. I can also safely say we have a great coaching team with former player and Men's coach Matt Guastella, current men's player Mark Dowel and club legend Jeff Reidy all coaching an under 10 team. They were all very well supported with team managers Travis Smith and Vanessa Percy as well as Kimberly Dowel providing assistance. I would like to thank you all for your efforts in making the season an enjoyable year.

We entered an under 12 half field team and with many of these players new to hockey the team struggled on the field but with a great coaching effort from Emily Noney these kids really progressed their hockey skills and improved throughout the season. Most importantly they had some good fun. I am sure they will all be better with the experience in the coming years. A huge thank you to Emily Noney for putting her hand up to help the junior group, it is very much appreciated.

Our under 14 team went through a transition this season with many of the 2021 team moving up into the under 16's. So, this group was a combination of some experience and new. At the start of the season, we were looking around for the right person to coach and we didn't need to look far with the very experienced Mel Light volunteering, Mel had previously coached juniors many years ago and now with her son playing hockey this was the perfect chance to get back involved. Mel was terrific in recognising the kids skill set early and developing a training plan to progress their hockey throughout the season and making sure they had plenty of fun along the way. With 5 wins and 2 draws along the way this was a very good result for a team that is still in the development stages. Again, thank you Mel for your time and effort you put into this team.

After a season without an under 16 team, we decided to enter a mixed district under 16 team in 2022. This team was also a combination of new and experienced players. We had some players that have come through the juniors from hookin2hockey, some that had played school hockey and wanted to join a club and some new to the game players. We also had the perfect coach for this group with the experienced Kate Rinehart once again providing her support and coaching skills to this team. This team was always very competitive, winning 3 games and drawing 4. The players really improved throughout the season, and I really hope that most start moving into seniors over the next couple of years. An enormous thank you to Kate for coaching again, I know the players love your coaching and you make them work hard but it is always fun. I also need to thank Janine Foot for managing the under 16's. Janine is new to hockey, but was willing to learn and get more involved and was a great asset to the under 16 team.

I would also like to thank our umpire coordinator Jeff Reidy, Jeff quietly goes about finding umpires each week for all our teams, and without this, games would not be able to go ahead.

Moving forward, it is great to see such a big interest in parents wanting to participate with the building of the junior unit. The club is introducing a junior sub-committee who will share the load and I am sure this will bring a bigger and stronger junior unit in the coming years.

David Hyland

Master's Unit Report

Another year has flown by, but at least this year we managed to get a season of hockey in.

Our Masters team was again in the 45+ CSE competition. For a change we had a nice pool of players which allowed us to play nearly all games with a full team, and many games with an interchange or two. Something you really appreciate at this age.

An up and down season for us. We must have taken the record for the number of drawn games in one season, with a grand total of 8 draws. Although this was frustrating it was also a positive sign in that we were competitive against a lot of the teams in our competition. The majority of losses we had were by a goal of two only.

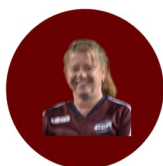

So, all in all, a positive season for the Master's Team, if only we could score more goals. If we did, those draws could become wins and you never know, you might get to see us in the finals.

A huge thanks to all our team for making every effort to turn up each week. It's so much easier to organise the team when you can rely on people turning up week after week.

An even bigger thanks for everyone who played in the last round. We all looked like drowned rats at the end of that one! Thanks, also to the umpires for sticking around as well. We can't play our games without them.

Looking forward to seeing everyone again next year.

Regards
Jenny Munro

2021 membership credit	15,300.00	0	0
Total Operating Expenses	93,060.00	48,450.00	31,614.50

Nett Profit / (Loss)	3,440.00	19,208.00	(13,749.00)
-----------------------------	-----------------	------------------	--------------------

Opening bank balance as at 01 October 2021 \$53,384.31

Closing bank balance as at 31 September 2022 \$56,797.60

The 2021/2022 season went financially better than the last 2 years and we closed the season with a profit, and it was higher than the budget figures made at the start of the year. This was mainly due to the bumper year in canteen sales and good social events – well done to the team of volunteers at our home games and events. This certainly helped recoup the discounts we gave to players who paid their 2021 membership fees in full when the 2021 season was unfortunately cancelled, as well as a few other increased expenses compared to last season.

Good luck for the next season, we can only improve on what we achieved the year before.
