Team Selection

- Teams will be selected by the coaches / captains for each week's games. Teams could change from week to week, so make sure you keep an eye out for your name to be posted. **Don't presume you are in a particular team.**
- If you have any issues regarding selection, please discuss with the coaching team. The coaching team will be happy to discuss with you issues regarding your selection and what you might need to work on.
- Teams will be posted each week on Team App

Unavailability's

- If you are unavailable for a game, please post on the “**unavailability's**” tab on Team App with at least 1 weeks' notice. Please note, there are many Sunday games in the fixtures, make sure you make it clear which days you are unavailable.
- If you are available for only a portion of the day, please advise of this in the notes. Eg. “Unavailable after 3pm”.
- Please post your unavailability as soon as you know about it.

B&F Voting

- As per previous years this will be submitted on the team app at the end of each game. Players will get a notification to vote 3,2,1. You will have a couple of days to submit. Everyone needs to vote no exceptions. Don't let your team mate down by not voting. If you have any issues, please contact David Hyland and he will assist.

Fixtures

- Fixtures when released will be on the HV website.
Link: [Hockey Vic Fixture](#)
- Each teams fixture will also be linked in team app.
- Please note there is often small changes (occasionally big changes) throughout the year. Therefore, the final correct fixture is always on the Hockey Victoria web site. You should check this each week after selection when you know what team you are playing in.

Game Day

- VL are expected to arrive at least 1 hour before the game.
- Metro teams are expected to arrive at least 30 mins before the game.
- If you are running late, please let your coach / captain know.
- If there are other teams playing before or after your own game, please come early or stick around to support.
- Uniforms: HV have advised that the Maroon tops are our home strip and White tops are to be used for away clashes only. Always bring both tops to away games just in case (higher grades).

Canteen assistance

- Everyone likes to buy a drink and some food either while supporting a game or after a game. We will need your support in the canteen. A roster will soon be set up which will include every player. You will be expected to assist in the canteen when rostered on. If you can't make it, you arrange a swap
